

Child labour

Discussion statements

www.soschildren.org

1. All children should go to school.

7. Children should help out at home.

2. It is important to be able to buy very cheap clothes.

8. If someone is very poor, it is their own fault.

3. If a family is very poor, it is right that the children go out to work.

9. Children who work grow up too quickly.

4. It is wrong when children have part-time jobs like doing the newspaper round.

10. There is a big difference between children in the UK and children in India.

5. All children should have time to play.

11. It is wrong when children have to work long hours in difficult conditions.

6. Working from a young age can be good for children.

12. For children in some countries it is not important to go to school.
